Points Transfer Information

Racers who upgrade to a higher category, **take their points with them**. For example, points earned in Men's Category 4/5 races will carry over with that rider when they upgrade to Men's Category 3.

For racers who race between a master's category and a senior category, **points do not transfer**, but a "cloned" copy of that rider is created. For example, a rider who races both Masters B races and Men Cat 3 races, will have their name listed **twice** in the SWICA BAR standings — once for each category.
